MainStream Sponsors the AFA's Utah Aerospace Educational Foundation Charity Golf Tournament *2013 marks MainStream's sixth consecutive year sponsoring the AFA's event benefiting the Utah AEF*

Bethesda, MD (June 27th, 2013) – MainStream Global Solutions, LLC (“MainStream GS”), a leading management consulting firm focused on increasing performance and sustaining gains for public and commercial sector organizations, sponsored the Utah Air Force Association’s (AFA) 2013 charity golf event for the sixth consecutive year. The charity golf event was held on June 20th at Wolf Creek Golf Course in Eden, Utah.

The beneficiary of the Utah AFA’s charity golf event is the Utah Aerospace Education Foundation (AEF). The Utah AEF is dedicated to Utah and America’s aerospace excellence through public awareness programs, education programs, and financial assistance. The funds raised by Utah AFA charity golf event support the Hill Aerospace Museum Learning Center, scholarship programs, teaching grants, in-service training for Utah teachers, and University and High School Air Force Reserve Officer Training Corps (AFROTC) programs.

MainStream’s sponsorship of the event demonstrates the company’s continued commitment to the AFA and the Hill AFB community as well as its own mission of increasing performance and sustaining gains for customers. “MainStream has over a decade of history and success with the Hill Air Force Base community. It is an honor and pleasure to sponsor this meaningful event, we look forward to continued engagement with the Hill Air Force Base community,” comments Alan J. Horowitz, President of MainStream GS.

About the Air Force Association (AFA)

The AFA is an independent, nonprofit, civilian education organization that promotes public understanding of aerospace power and the pivotal role it plays in the security of the nation. AFA published Air Force Magazine, conducts national symposia, and disseminates information through outreach programs. AFA presents scholarships and grants to Air Force active duty, Air National Guard and Air Force Reserve members, and their dependent, and educators to promote science and math education.
