Annual National Veterans Small Business Engagement (NVSBE) to Increase Contract Opportunities for VOSB's

BETHESDA, MD (December 5, 2014) – MainStream Global Solutions, LLC (“MainStream”), a global management-consulting firm, to attend the largest three-day event for Veteran-Owned Small Businesses (VOSBs). The Department of Veterans Affairs (VA), in collaboration with other federal agencies and partners, will sponsor the 4th annual National Veterans Small Business Engagement (NVSBE), December 9-11, 2014, at the Georgia World Congress Center in Atlanta, Ga.

The NVSBE connects VOSBs with the VA, other Federal Agencies, and commercial Procurement Decision Makers (PDMs). NVSBE is VA's premier event that provides VOSBs unique access to hundreds of PDMs committed to working with Veterans. The 2014 NVSBE is expected to attract as many as 3,000 attendees offering the chance to learn best practices from federal and commercial PDMs. More than 400 exhibitors and 25 government agencies along with private industry partners will also participate in the event. The theme of this year's event, **ACCESS**, is focused on promoting and supporting small Veteran-owned business' access to economic opportunity. Its unprecedented level of engagement will help entrepreneurs, especially Veterans, compete most effectively, and win business.

“VA is committed to increasing the number of Veteran-owned small businesses,” said VA Secretary Robert A. McDonald. “The NVSBE demonstrates our commitment by offering Veteran business owners the tools they need to thrive in the federal marketplace. We want to do all that we can to help our Veterans be successful.”

“As a leading Veteran Owned Small Business focused on supporting the VA and Veterans across the country, it's important for us to be engaged with NVSBE and it is an honor and pleasure to participate in this event,” said MainStream GS President, Alan J. Horowitz.
