**Timothy J. Hutzal to Deliver Keynote Presentation on Reshoring at the 2014 ASSEMBLY Show and
Featured in the Wire Journal International's September Issue**

Author of Bringing Jobs Back to the USA discusses why reshoring is more than a fad

WASHINGTON, D.C. (October 1, 2014) – MainStream GS, LLC, a veteran owned management consulting firm, announced today that Timothy J. Hutzal is scheduled to deliver the Keynote Presentation at the 2014 ASSEMBLY Show in Rosemont, IL on October 29th at 9am CST. Hutzal retired as Partner of MainStream GS, LLC 2009 and is the co-author of *Bringing Jobs Back to the USA: Rebuilding America's Manufacturing Through Reshoring* and *Keeping Your Business in the USA: Profit Globally While Operating Locally*.

The ASSEMBLY Show is the "must attend" industry event for assembly professionals. The Show's main objective is to assist suppliers, buyers and users of assembly equipment in manufacturing plants connect, learn, share, and explore all things assembly. Hutzal's book, *Bringing Jobs Back to the USA*, explains how American companies can survive and prosper while keeping their manufacturing base within the United States. During the Keynote Presentation, Hutzal will provide a powerful one-two punch to debunk the myth that U.S. manufacturers cannot compete with cheap labor countries as well as explain why U.S. companies sent their jobs overseas and discuss how companies are thriving by manufacturing within the United States.

In September, the Wire Journal International (WJI) featured an interview with Tim Hutzal sharing his thoughts on reshoring and why he believes that reshoring is more than just a fad. The WJI is sponsored by the Wire Association International, Inc, a worldwide technical society for wire and cable industry professionals that promotes, collects, and disseminates technical, manufacturing, and general business information to the ferrous, nonferrous, electrical, fiber optic, and fastener segments of the wire and cable industry

Hutzal has over thirty-five years of experience of transforming organizations into highly efficient operations through process improvement and organization development. He utilizes a unique blend of technical and organizational tools and methodologies to provide solutions beyond the traditional scope of Lean process improvement. *Bringing Jobs Back to the USA: Rebuilding America's Manufacturing Through Reshoring* is available on Amazon.com by clicking [HERE](#) (ISBN: 978-1-4665-5756-7, 245 pp., Hardback, \$37.95).
