MainStream on Team Awarded Performance Management/Continuous Process Improvement BPA

MainStream is a team-member on the DRC led winning team of GSA's government-wide BPA

Bethesda, MD (August 1, 2013) – MainStream GS, LLC (“MainStream”), a leading veteran-owned small business management consulting firm focused on increasing performance and sustaining gains for public and commercial sector organizations, is a member on a team that been awarded a Performance Management/Continuous Process Improvement (PM-CPI) Blanket Purchase Agreement (BPA) by the General Services Administration (GSA). MainStream is a team member (BPA #: GS10FAA048) on the Dynamics Research Corporation (DRC) led team (BPA #: GS10FAA014).

GSA's [government-wide BPA](#) utilizes a contractor teaming agreement (CTA) structure to provide PM-CPI services in order to ensure that GSA's customers have access to a pool of well-qualified PM-CPI contractors capable of providing market-leading services. PM-CPI services included under this BPA are Strategic Planning and Performance Management; Strategic Business Analysis; Process and Performance Improvement; Communications and Change Management, and Training, Certification and Recognition. Under the auspice of the GSA, the PM/CPI contract vehicle is a five-year BPA that can be utilized across Federal government agencies. Based on FPDS data research, it is estimated the task order value of this BPA to be approximately \$60 million per year. The BPA was awarded to 15 teams including the DRC Team.

“We are extremely pleased to be participating with the DRC Team in this important BPA. Our customers are looking for flexible and fast contracting options and this BPA, accessible to all of our Federal customers, will enable them to accomplish strategic projects with our team of experienced PM and CPI management consultants,” said Alan J. Horowitz, President.
