### **MainStream Subcontractor to Booz Allen Hamilton on Award for A&AS Services for Air Force Office of Business Transformation (AFSO21) (AAS)**

*Contract with The Department of the Air Force, Office of the Secretary of the Air Force, Office of the Under Secretary of the Air Force; Director, Business Transformation (SAF/US(M))*

**Bethesda, MD (March 28, 2014)** – MainStream GS, LLC, a leading management consulting firm focused on increasing performance and sustaining gains, is a subcontractor to Booz Allen Hamilton (BAH) on a strategic contract with the U.S. Air Force (USAF). Under the contract with USAF, Office of the Secretary of the Air Force, Under Secretary of the Air Force, Office of Business Transformation (SAF/US(M)), BAH and MainStream have been fulfilling a continuing requirement for Advisory and Assistance Services for Air Force Smart Operations 21 (AFSO21). The contract has a base period year with two 12-month option periods.

The mission of the (SAF/US(M)) is effecting changes in the Air Forces across its Major Commands in areas such as logistics, financial management, human resources and other business disciplines. The office oversees the transformation work with business transformation teams, both within the functional areas and within the major command. The office ensures the Air Force workforce is trained in continuous process improvement mindset, methods, techniques, and tools. AFSO21 is the Air Force's dedicated effort to maximize value and minimize waste in all of the Air Force's processes.

In support of SAF/US(M)'s mission and under this BPA contract, task orders will require BAH and MainStream's support in providing expert services across a range of capabilities including Strategic Planning and Performance Measurement, Project Management (PM), Architects, Vocabulary Experts, and Process Improvement Expertise.

"We are extremely pleased to be a team mate with Booz Allen on this strategic contract," comments Alan J. Horowitz, President, of MainStream GS. "MainStream has over a decade of successful experience providing the Air Force with highly qualified practitioners who have experience working large-scale business transformation, business process re-engineering and continuous process improvement. We look forward to continuing to provide of proud support for the Air Force."
